Please remember to display your posters for each cog in the classroom at the beginning of each half term.

### KS2

Please remember the scheme of work for Jasmine can be flexible. Work at the children's pace and abilities. Every child does not have to be working on the same skill at the same time, allow opportunities for children to move on to the next level when ready. Lessons can be adapted with your own ideas.

Please ensure that at least some of the lesson will allow the children to raise heart rates & experience being out of breath. These could be your own ideas for warm ups or choose from the list of ideas in the PE curriculum resource folders.

### **Assessment**

**KR will assess the children using the provided PE assessment by PE Lead by the end of the year to be handed to class teacher.**

***Baseline assessment to be completed in 1<sup>st</sup> week. Print a copy of the assessment from Jasmine. Only need to use child's initials on assessment sheet.***

***Update Assessment to be completed in final week of each half term.***
